

# UI Browse prototype

Points: 5

Feature

# Daily backups aren't working

Bug

# Migrate panopticon to MongoDB

Points: 3

Feature

# Add and edit mappings in Migratorator

Points: 2

Feature

# Urgent deletions and format changes

Chore

## Add the ability to delete to the ruby router client

Points: 3

Feature

# Limit tag selection to predefined list

Points: 2

Feature

As a user I would like to be able to browse the site content by section.

Points: 5

Feature

Investigate why  
Northern Ireland  
postcodes do not  
work.

Bug

Router can return  
301

Points: 2

Feature

# Rebuild Publisher's frontend with Twitter Bootstrap

Points: 5

Feature

# Integrate new browse design into existing section pages

Points: 5

Feature

# Panopticon to use twitter bootstrap

Points: 3

Feature

# Content feedback

Points: 2

Feature

# Section tags in Panopticon UI

Points: 2

Feature

# Curated pages UI prototype

Points: 5

Feature

# Reinstate lost panopticon artefacts

Bug

# Title changes in panopticon don't propagate to publisher
